To say I was delighted by the way we bounced back against Port Vale after the setbacks at Bournemouth and Fulham, is putting it mildly.

To win by such a comfortable margin, to keep a clean sheet for the first time in a League game this season and never really to look in any sort of trouble — despite the penalty — was very satisfying.

Now we must continue to build on that performance and, hopefully, we kept it going at

# Phil Neal Notebook

Wigan last Friday night to notch our first away points.

Much of the credit for the Port Vale performance must go to the youngsters who have stepped into the side and done all that was asked of them. This can only be good for the long term future of Bolton Wanderers.

Tonight we have had to plan how to beat Chesterfield in the knowledge we are without Steve Elliott and Mark Gavin, both suspended for two games after being sent off at Bournemouth. The suspensions couldn't have come at a worse time for us just as we appear to be settling into a pattern of play in which both players have a lot to contribute. Steve has worked tirelessly holding the front line together and chipped in with three goals in four matches prior to the Wigan game. 'Gav' has added a new dimension to our play with his ability to get in telling crosses with either foot even under pressure.

While they will both be missed a lot depends on how their replacements perform, both individually and as team members, as to how quickly they'll get back in the side.

Finally, on behalf of all the lads, I must thank each and every one of you for the tremendous encouragement and show of loyalty displayed during and at the end of the Port Vale game.

Your enthusiasm can only help us on the field, so please keep it going. You can help this young team develop.

## AWAY FORM WORRIES CHESTERFIELD by Tony Pullein

Though Chesterfield have drawn two of their three away games in the League this season, they haven't won away from home since beating Blackpool 1-0 last February. Since then they have played 11 away League and Cup games without a victory.

This season they have drawn at Blackpool (0-0) and Mansfield (1-1) but they lost their last away game at Middlesbrough (0-2). They also drew at Wrexham (2-2) in the Littlewoods Cup but, as they had already been beaten 0-2 at home in the first-leg, they took an early exit.

Last season was Chesterfield's first back in Division Three following a two-year spell in the Fourth Division. They made an excellent start by

winning their first three games but they later settled down around the half-way mark. Largely because of their failure to win away from home during the latter stages of the campaign, they eventually dropped to 17th place.

Manager John Duncan, who took over in 1985, made a couple of close-season signings. Midfielder Andy Kowalski, who began his career with the club, was re-signed from Peterborough whilst forward Tony Coyle was signed from Stockport County.

Mr Duncan has given chances to some of his younger players, notably right-back Jamie Hewitt, midfielder Bob Bloomer and forward Andy Taylor.

But the key figure remains Ernie Moss, a striker who continues to score so consistently in spite of the passing years. It was back in 1969 when Ernie scored his first goal for Chesterfield. His wanderings later took him to Peterborough, Mansfield, Port Vale, Lincoln and Doncaster but he has returned to Chesterfield for the third time.

Ernie netted twice in Chesterfield's recent 3-2 victory over Walsall and that took his tally to 225 in League football. And we can be sure that there are still a few more to come.

The Chesterfield club was founded in 1866, turned professional in 1891 and gained admittance to the Second Division of the Football League eight years later. Initially, they did quite well but then they faded and in 1908 and the following year they were forced to apply for re-election. On the latter occasion, they were not voted back and they drifted around in non-League football until becoming a founder member of the Third Division (North) in 1921.

After ten years of Third Division football, Chesterfield won the divisional Championship and

**BACK ROW, left to right:** Brian Ferguson, Andy Kowalski, Gary Bellamy, Ernie Moss, Jim Brown, Brian Scrimgeour, Dave Caldwell, Jamie Hewitt, Andy Taylor.

**FRONT ROW, left to right:** Phil Brown, Tony Reid, Oliver Bernardau, Kevin Randall (Assistant Manager & Coach), Mick Henderson (Club Captain), John Duncan (Manager), Tony Coyle, Lee Coombes, Charlie Williamson.

stepped back into Division Two. They survived for only two years but, by 1936, they were back in the Second Division again.

They created a club record when finishing fourth in Division Two in 1947 but, by 1951, they were back in Division Three they have never again managed to rise as high as Division Two.

They have bobbled between the Third and Fourth Divisions, achieving their most recent promotion as Fourth Division Champions in 1985.

The Chesterfield squad:

**JOHN DUNCAN (Manager).** John took over as Chesterfield's manager during the summer of 1983 and led the club to the Championship of the Fourth Division two years later. He started his managerial career with Scunthorpe in 1981 and remained at the Old Show Ground for two years. In April 1983 he was appointed manager of Hartlepool but, when he was invited to go to Chesterfield, he left only a couple of months later. As a player, he started with Dundee and soon earned a reputation as a high-scorer, cracking home 40 goals in 1972/73. Tottenham signed him for £150,000 in 1974 and he led their scoring list in his first season. He moved to Derby for £150,000 in 1978 and he remained at the Baseball Ground until becoming player-manager of Scunthorpe in 1981.

**JIM BROWN (Goalkeeper).** Jim is a former Scotland international who began his career with Albion Rovers. He initially joined Chesterfield in 1972 but, just over a year later, he was transferred to Sheffield United for £70,000. He held the first-team job for four years before going to the U.S.A. where he played for Detroit Express, Washington Diplomats and Chicago Sting before returning to this country to sign for Cardiff in 1982. After that he went non-League with Kettering before returning to Chesterfield in 1983.

**JAMIE HEWITT (Defender).** Jamie joined the club from school. He made his League debut, as substitute, at Plymouth last November and by the end of the season had taken over as right-back.

**GARY BELLAMY (Defender).** Gary served his apprenticeship with Chesterfield and got his first chance in their League eleven during 1980/81. If he was in the side last Saturday, he will be making his 150th League appearance for the club this evening.

**BRIAN SCRIMGEOUR (Defender).** Brian was introduced to senior football by Dundee in 1978/79 and made more than 50 appearances in the Scottish League before transferring to Chesterfield in 1983.

**CHARLIE WILLIAMSON (Defender).** Charlie made his League debut as a Sheffield Wednesday apprentice in 1979/80 and went on to make more than 50 League appearances for the Owls. He went on loan to Lincoln and Southend before joining Chesterfield at the start of last season.

**STEVE KENDAL (Midfield).** Steve completed his apprenticeship with Nottingham Forest but made only one appearance in their League eleven. Chesterfield signed him in 1982 and he has been in the side for much of the time since.

**MICK HENDERSON (Midfield).** Mick was

introduced to League football by Sunderland during 1975/76 and, when he moved on to Watford in 1979, he was valued at £150,000. He moved on to Cardiff in 1982 but, after only a few weeks, he was on the move again, signing for Sheffield United. He joined Chesterfield two seasons ago.

**TONY REID (Midfield).** Tony made his League debut for Derby in 1980 and, it was after he had been on loan to Scunthorpe, that he signed for Newport County in 1983. He was a fixture in the Welsh club's senior side until linking with Chesterfield at the start of last season.

**BOB BLOOMER (Midfield).** Bob joined Chesterfield as a non-contract player and got his League chance at Bournemouth last January.

**ANDY KOWALSKI (Midfield).** Andy was signed from Peterborough this summer and is now in his second spell with the club. He turned professional with them and enjoyed his first League experience with Chesterfield in 1972/73. Andy appeared in well over 350 League games during his first period and it was in 1983 that he was transferred to Doncaster. He moved on to Peterborough two years later.

**ERNIE MOSS (Forward).** Ernie is a veteran of more than 18 years in League soccer and he is still whacking in the goals. Last season he was top scorer with 17. He made his first appearance for Chesterfield in 1968 and was on three occasions their leading scorer before moving on to Peterborough in 1976. Mansfield signed him about a year later but he returned to Chesterfield in 1979. He became a top scorer again before transferring to Port Vale in 1981, topping their list in his first campaign. He later played for Lincoln and Doncaster before returning for his third spell with Chesterfield in 1984.

**TONY COYLE (Forward).** Tony was signed from Stockport County this summer. He started with Albion Rovers in the Scottish League and Stockport paid a club record £25,000 to sign him in 1980. He played more than 100 League games for the Edgeley Park club.

**PHIL BROWN (Forward).** Phil is a former apprentice who was given his chance in the League in 1983. He has been a regular for the past two seasons.

**PHIL WALKER (Forward).** Phil is yet another player who has returned to his original club. Introduced to Chesterfield's League side in 1977/78, he made 200 senior appearances before signing for Rotherham in 1983. In 1983/84 he spent a short time on loan to Cardiff and he returned to Chesterfield in 1985.

**DAVID CALDWELL (Forward).** David was discovered in Scottish junior football and Mansfield blooded him in League soccer in 1980. He made more than 150 League appearances for the Stags before losing his place. After loan spells with Carlisle and Swindon, he joined Chesterfield in 1985.

**ANDY TAYLOR (Forward).** Andy joined Chesterfield on the government's youth training scheme and he made his first senior appearance, as substitute, against Wrexham in the Littlewoods Cup this season.

## WANDERERS ON FILM

Fans unable to travel to away games can now keep in touch with the team's fortunes courtesy of the Club's official video.

Every Monday night after an away match, the video will be screened in the Executive Club. Admission is free to Lifeline members with a nominal 20p door charge to all other supporters.

Doors will open at 7.30p.m. with the video starting promptly at 8.00p.m. and the next dates for your diaries are October 13th when the Walsall game will be shown and October 20th to view the Rotherham match.

## TRANSFER BOUND?

Dave Sutton was placed on the transfer list last week at his own request. The central defender joined Bolton from Huddersfield prior to the start of last season and played in 47 games before his transfer request, including the Freight Rover Final at Wembley last May.

## PROGRAMME FAIR

The 12th Annual Bolton programme fair will be held as usual at the Pack Horse Hotel on Sunday 12th October 1986 between 11 a.m. and 3.30 p.m. Thousands of old and new programmes will be available and all Junior Whites members will be admitted free on production of their membership card.

## CRISIS! WHAT CRISIS?

A mis-spelt headline on this page in the last matchday inferred there was a Hot Shot Crisis around Burnden Park.

However, it would be apparent from reading the story that the headline should have read Hot Shot Chris. Our apologies to Chris Banks whose spectacular long range goals recently, mean there's no crisis at Burnden on that score.

## PENALTY DISASTER

The Wanderers have already conceded more penalties this term than they did in the whole of last seasons campaign. Port Vale were awarded the fourth to be given against Bolton this season in only the sixth League game. Fortunately Mike Salmon made his first penalty save for the club although it was odds on the Potteries club would miss their spot kick. They have now gone ten League and cup games, or 900 minutes, with only one goal to their credit at Burnden Park!

# Flashback

## PAST ENCOUNTERS

Chesterfield visit Burnden Park this evening still looking for their first ever League point from their visits to Bolton. The Derbyshire side have only managed to score in two of their previous seven visits although they have twice gone close to taking home a point.

The first was in February 1905 when a penalty, five minutes from time and scored by Sam Marsh, gave the Wanderers a 4-3 win. The second was in September 1972 when the Wanderers scored the only goal of the game, in injury time, the scorer being Alan Waldron.

Chesterfield's first League win over the Wanderers came in the sixth game between the clubs. This took place at Saltergate in October 1904 and the only goal came from Taylor. The result brought a halt to the Wanderers great start to the season, having won their first six games and scoring nineteen goals in the process.

Last season, each side won their respective home game, the Wanderers win being masterminded by Nat Lofthouse who was caretaker manager prior to the appointment of Phil Neal. Steve Thompson shot Bolton in front in the 49th minute but a minute later Chesterfield were level when Phil Walker rifled home a 25 yard free kick. Bolton's winner came in the 64th minute when Asa Hartford headed home his first League goal for the Wanderers.

Chesterfield recorded their best ever win against the Wanderers in their 3-0 win at Saltergate in the final League game of last season. Their goals, all in the second half, came from Gary Bellamy, Ernie Moss and Tōry Reid.

Our League record against Chesterfield is as follows:

|       | P  | W | D | L | F  | A  |
|-------|----|---|---|---|----|----|
| HOME  | 7  | 7 | 0 | 0 | 19 | 4  |
| AWAY  | 7  | 2 | 2 | 3 | 8  | 10 |
| TOTAL | 14 | 9 | 2 | 3 | 27 | 14 |

## FIVE YEARS AGO

26th September 1981. The Wanderers, who were hit with injuries and suspensions, went down 2-0 to Rotherham United at Millmoor. The first goal, which came after 10 minutes, didn't appear to have crossed the line but the referee allowed the effort from John Green to stand. Phil Henson scored United's second two minutes later and late in the game Wanderers stand-in keeper, Dennis Peacock, saved a penalty.

29th September 1981. A goal from Chris Thompson was enough to secure the points against Newcastle United at Burnden. The hero of the evening was 'keeper, Peacock, who again deputised for the injured Jim McDonagh.

## TEN YEARS AGO

25th September 1976. Bolton earned a point in a 1-1 draw with Plymouth at Home Park, although both goals came from Bolton born Argyle striker, Paul Mariner. He put Argyle in front in the 24th minute and then, twelve minutes later, diverted a Sam Allardyce header into his own net. Barry Siddall played his last game for the club before his transfer to Sunderland.

29th September 1976. A hotly disputed goal six minutes from time was enough to knock the Wanderers out of the Anglo Scottish cup. Alan Hansen, looked well offside, as he slotted home Partick Thistle's winner at Firhill.

## FIFTEEN YEARS AGO

29th September 1971. The Wanderers came from a goal behind to take a point in a 1-1 draw with Halifax Town at Burnden. Bill Atkins had given the Yorkshire side the lead a minute into the second half but Roy Greaves fired home the equaliser past former Wanderer, Alex Smith, in the 67th minute.

2nd October 1971. Bolton lifted themselves to within three points of the League leaders with a 2-0 home win over Mansfield Town. Both goals came in the first half, from Roy Greaves and Gary Jones.

# CATCHING UP ON WILLIE MOIR

To Wanderers' fans the names of the 1953 Cup Final side trip off the tongue as readily as those of the famous 23/26/29 teams.

Hanson, Ball, Banks (R), Wheeler, Barrass, Bell, Holden, Moir, Lofthouse, Hassall and Langton.

A team of international cap and representative honour winners captained by Willie Moir one of the most gifted and talented players ever to grace Burnden Park.

A Scottish international who played in the 1950 meeting with England at Hampden Park, Willie topped the First Division scoring lists in 1948/49 with 25 of the 119 League goals he scored during 331 games for Bolton. He arrived at Burnden in 1943 and left 12 years later to join Stockport County as player, player-manager and manager, but has retained his strong links with his adopted town where he was a well known and popular figure on local golf courses and cricket fields.

Today he's still involved with Burnden Park on matchdays as a member of our team of celebrity hosts who look after match sponsors. And his memories of his career with Bolton are always worth hearing.

To put the record straight: Willie didn't, contrary to popular belief, have a superstition about running out last from the tunnel.

"The fact is that we had to report at the ground 45 minutes before the game and, although I lived close by, I was always on the last minute which didn't please our manager Bill Ridding," explained Willie.

"Being last to arrive meant I was last to get changed and, therefore, last onto the pitch."

All that changed though when he was made captain and led out the team at Wembley in the most famous Final of all time.

Willie Moir tries his former No 8 shirt on his grandson David, watched by granddaughter Sarah and Mr Frank Scott, president of Club Sponsors, United Co-operatives Ltd.

*If you have anything to say about any aspect of Bolton Wanderers or football in general write to Postie's Page, Bolton Wanderers F.C., Burnden Park, Bolton.*

Dear Postie,

Just a short note to thank the staff of Bolton Wanderers, especially Terry in the Development Office, for enabling my son James to watch the match last Saturday.

James has both legs in plaster and is confined to a wheelchair with a hip complaint but thanks to your stewards we were able to get him into the Manchester Road stand without too many problems.

He thoroughly enjoyed the game and, as he is a goalkeeping fanatic, was thrilled with Mike Salmon's penalty save.

I hope to get him down to one or two future games and trust you will be as helpful and understanding as last Saturday.

Yours sincerely,

David Thompson

Season Ticket holder and Lifeline member.

Dear Postie

Congratulations on the new look match programme. The colour, the layout and the lack of advertising make it much more attractive.

Since you asked for suggestions for articles to appear in the magazine, how about a series of 'Where are they now' focusing on ex-Bolton players and managers. It might be interesting to know what the likes of John Byrom, Tony Dunne and Willie Morgan are up to these days.

Yours faithfully

David Rothwell

Halliwell, Bolton.

Postie's Note: See page 13 for details of an ex-Wanderers' favourite.

# Junior Whites

Next Saturday HB Junior Whites play host to the Junior Magpies of Notts County. During the past couple of years the young fans of two of the county's oldest Clubs have formed a close bond thanks to get togethers like Saturdays.

Before the League game the youngsters will play soccer together and the 25 Junior Whites who put their names down to play in this match should meet at Burnden Park at 11 a.m. on Saturday morning. After the match a fish and chip lunch will be provided followed by seats in the Lever Family Stand for the big game.

The next meeting of the HB Junior Whites will take place on Monday, October 13th at 6.30 p.m. in the Executive Club. Members not yet in receipt of membership cards can collect them either from the ground (ask for Margaret Wood) or at the meeting.

## TONIGHT'S MASCOT

All being well there'll be two Hartford's in Wanderers' colours on the pitch tonight. Our Junior White mascot is Stuart the 8 year old son of our skipper Asa.

Stuart attends Gorsey Bank school at Wilmslow and he'll be hoping that he and his father can lead the Wanderers to another victory. No prizes for guessing his favourite player.

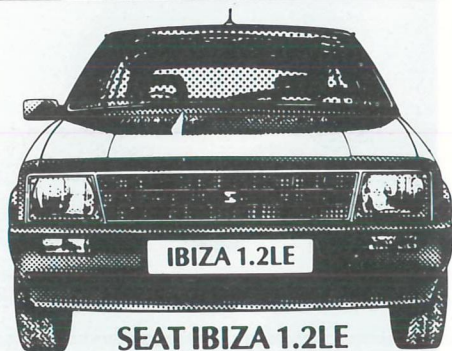

The Wanderers gave a dry run to the forthcoming "Football in the Community" programme at the match against Port Vale.

Over 150 youngsters and parents attended the game and were looked after by the special team appointed by the Manpower Services to administer the scheme at Bolton.

The official launch will be on October 25th at our game against Chester City.

# Reserve Report

**15th September 1986.**

**Preston North End Res. 5**

**Bolton Wanderers Res. 0**

North End Reserves recorded their first win of the season at the expense of a very inexperienced Bolton side. They dominated most of the game but were helped by the Wanderers youngsters who wanted to play at top speed.

**JON SENIOR** — best effort for Wanderers at Deepdale.

Preston's first goal looked suspiciously offside, Nigel Jemson collecting a through ball to race clear and shoot past Kevin Mailey. Bolton appeared to have weathered the storm but conceded a second goal just before half time, Jemson again on target, with a free header from a right wing cross.

Unfortunately Bolton didn't test Alan Kelly in the Preston goal, with the best effort of the half coming from a twenty yard drive from the boot of Jon Senior, which was just wide of the target.

In the 57th minute Bob McNeil scored North End's third and former Wanderers

forward Steve Saunders volleyed the fourth twelve minutes later. Saunders also scored the fifth with a brilliantly worked goal that started with his own keeper.

The Wanderers failed to get a clear cut chance during the second period although the introduction of Mark Raven did add a little spark to the forward line that had a poor evening.

The plastic pitch at Deepdale looks a much better proposition than its counterparts in the south. The ball appeared to run true and the bounce, if anything, slowed the ball down.

**TEAM:** Mailey, Byrne, Clarke, Banks, Higgins, Hughes, Bell, Allen, Griffin, Callaghan, Senior. Sub Raven for Bell.

## **IAN'S MILESTONE**

A pat on the back must go to Ian Mullineux on making his League debut against Port Vale. Ian is a product of the Wanderers youth policy and has already given some fine performances in the reserves this term, notably at Wigan Athletic, where he gave their full back a tough time. Incidentally, Ian is also a capable left back and with six home grown players in the side for the Vale game, chances are being given to the Wanderers youngsters.
